

Mamelok is a historic papercraft company specialising in high-quality paper materials such as scrap reliefs, paper masks, dress-up dolls, and bunting and handwaving flags.

Our bunting is printed on both sides and stitched rather than stapled. It's available in two sizes – large and small – and it's all made in the UK. Our handwaving flags are also printed on both sides and come complete with 25cm plastic flagpoles.

CUSTOMISED BUNTING AND FLAGS

Why not have your own flags or bunting? We can print your artwork (graphics or photos) to make your party unique. Perfect for birthdays, weddings, fetes, or even for your child's bedroom, so contact us now for further details!
